Ken's Comprehensive Cruising Guide For The Kingdom Of Tonga

Synopsis

This is the most complete cruising guide for the Kingdom of Tonga. Made by a cruiser for cruisers, it features lay flat binding, logically arranged charts and information including waypoints and anchorages. Included in the guide are over 90 anchorages, provisioning information, customs procedures and details relating to officialdom. Every anchorage page includes a picture, corrected chart and a description of conditions and items of interest. The author spent three seasons sailing the entire chain and researched, recorded and documented every single anchorage and waypoint included in the book. Additionally, he corrected every chart to eliminate the roughly 1/4 mile error that exists in contemporary paper and electronic charts. There is no better resource for both the traveller and sailor interested in visiting this island paradise.

Book Information

Spiral-bound: 200 pages

Publisher: Kenneth Hellewell; 1st edition (January 15, 2003)

Language: English

ISBN-10: 0972749217

ISBN-13: 978-0972749213

Package Dimensions: 10.5 x 8 x 0.5 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #823,563 in Books (See Top 100 in Books) #15 in Books > Travel > Australia & South Pacific > South Pacific

Customer Reviews

Ken Hellewell completed a solo circumnavigation in 2004. Along the way he published this guide as well as the Torres Strait Passage Guide. He now lives in Washington State with his family.

I have both this guide and the Sailingbird Guide to Tonga, and would not do without either one. Sailingbird covers snorkeling and diving better, but Ken's has waypoints for the anchorages. This is important in Tonga where charts are STILL off by as much as a half a mile, and most of the water is so deep that you can't throw out an anchor just anywhere. It's a nice format with the chartlet on one side and the writeup on the other side.

Thank you Ken!
