Castaways Returned: Just Hope Journal #2 (Sex, Submission & Magic)

Synopsis

Day 47, I just hope that my plane arrives safely at its destination in a timely manner. I just hope that any of my shenanigans on board the plane go unnoticed. I just hope that Jenna really wants to join the Mile High Club. ~ Excerpt from the Just Hope Journal Jake is in possession of a unique ability. The journal he found floating in the wreckage of his sunken cruise ship has the power to warp reality, and after a month of using it to turn the women he's been marooned with into willing sexual partners, he returns home. Well | Sort of. Jake returns home in style, using the journal to replace his old life with the luxury and benefits of a billionaire playboy. A chauffeur, maid and more come with the penthouse apartment, limousine and all the expensive toys Jake could desire. Best of all, his first day back he has a workout scheduled with his smoking hot personal trainer. But someone has discovered that Jake is in possession of the journal. As he carelessly enjoys the book, are they scheming to take it away from him? Will he be able to protect himself and the people he is growing to care about as powers beyond his control scheme to take control of the journal's abilities for themselves?
