The Circle Maker: Praying Circles Around Your Biggest Dreams And Greatest Fears

Synopsis

According to Pastor Mark Batterson in this expanded edition of *The Circle Maker*, "Drawing prayer circles around our dreams isn't just a mechanism whereby we accomplish great things for God. It's a mechanism whereby God accomplishes great things in us." "Do you ever sense that there's far more to prayer than what you're experiencing?" It's time you learned from the legend of Honi the Circle Maker--a man bold enough to draw a circle in the sand and not budge from inside it until God answered his impossible prayer for his people. "What impossibly big dream is God calling you to draw a prayer circle around?" Sharing inspiring stories from his own experiences as a circle maker, Mark Batterson will help you uncover your heart's deepest desires and God-given dreams and unleash them through the kind of audacious prayer that God delights to answer. "This expanded edition of *The Circle Maker* also includes Batterson's newest insights on how God answers prayer along with stories that add convincing proof to the reality that God is able to do exceedingly far greater than all we could ask or imagine."

Batterson really draws the reader into the concept of circling prayers. For me it was a new concept in theory but not in practice. I based our most recent Board meeting with a circle prayer for a new procedure. Now onto "Be a Circle Maker".

This book is one that I couldn't put down! Although I had read disparaging comments about the author (and aren't there always crummy comments about any pastor?) I found his theory on praying for miracles quite interesting. Praying circles around a person or problem strikes me as very useful in really honing in on your intent. Pastor Batterson tells of the trials that his new church went through, and tells how God led him every step of the way, and met his needs beyond what he could have ever imagined. I found it very inspirational and enjoyable to read.

My prayer life has been revived after reading The Circle Maker. The author shares miraculous answers to prayer, as well as praying through when we don't see answers yet.

Amazing! This is a different way of looking at the awesomeness of our Creator God. It takes you to another level, it is exhilarating and so encouraging. A MUST READ!

An excellent book on walking with God through prayer. This was recommended to me by friends, and they were spot on. I put this at the top of my list with Jane Glendur's Seven Secrets to Power Praying.

Now, I am all for prayer. This book has enriched many thoughts who give this a read. As a gift for a friend, I noticed that her personal business skyrocketing and booming! This book is about the dream, well...your dream! There should be no age or ethnicity or race or anything put on a dream, just you! You are not a statistic and should not be confined within a small box. This book entails how to take a box cutter and release what is ready to be unleashed. Fear can always petrify and slow us down, but pray, mind, and spirit can be in tact when surrounding yourself with the right people. Our interior is affected by our exterior surroundings, but this book can guide you in the right direction according to my friend.

Very good read-lots of scripture references. "Pray like it depends on God, and work like it depends on you." God answers prayers. I know. I am a cancer survivor. Here's knowing that prayers I pray now will still have a triple effect long after I am gone.

This book goes so much deeper and wider than any book I've read on prayer. It is life changing because it is so three dimensional in its concepts and it has wonderful applications that make you want to RUN to your prayer corner. It has made me so much more hungry for MORE! Just get the book and read it. You'll be so glad you did.
