# The Soulmate Checklist: Keys To Finding Your Perfect Partner

## Synopsis

RANI ST. PUCCHI delves into the meaning of Soul Mate relationships as she guides you on a quest for love that lasts a lifetime. Are images of the ideal relationship just fantasy, or do they have basis in truth? Does everyone have a perfect Soul Mate who is waiting to be found by him or her, or is a "perfect" relationship something that one must develop with oneself first? Getting beyond the "in love" phase--will the relationship last? Questions like these and many others are addressed here as Rani provides insights into the nature of personal relationships and Soul Mate love. The SoulMate Checklist will help you avoid misconceptions about love, find the blueprint for coming to terms with your past, experience unconditional love, and find out what a Soul Mate is--and isn't.

FOREWORD BY JACK CANFIELD  
MORE THAN 30 YEARS ago, Rani St. Pucchi did the seemingly impossible when she made a name for herself in the bridal gown design industry despite having no formal training in fashion. Her wedding gown designs have been embraced by an all-star roster of

celebrities, actresses, athletes, and singers. While that is quite an accomplishment, Rani's range is just as impressive outside wedding couture, where she is making a name for herself as an expert on relationships and female empowerment. Clearly, Rani was quietly doing a whole lot more than designing gowns throughout her career. She was also listening to brides-to-be as they told stories of finding their soul mates and shared with her their hopes and doubts. The wisdom she gained from these personal encounters as well as her own life experiences are in this new book, *The Soul Mate Checklist*, written for any woman who is dating, afraid to date, or unsure of her partner's commitment or whether or not she has finally found a keeper. I had the privilege of meeting Rani recently and was so impressed by her mission that I quickly agreed to write the foreword for her new book. As the author of *Chicken Soup for the Soul, The Success Principles* and many other New York Times bestselling books, like Rani, I too believe that the Law of Attraction can be applied to finding a soul mate, and that before any of us can find the love we deserve and that is our birthright, we must first fall in love with ourselves. In fact, I totally agree with her when she writes, "The relationship you are looking to attract has nothing to do with the other person, but everything to do with you and how you treat yourself." Amen. In *The Soul Mate Checklist*, you'll find the blueprint for coming to terms with your past, experiencing unconditional love, avoiding misconceptions about love, and learning what a soul mate is--and isn't. Rani has also included several handy checklists, including one that helps you judge if you have found the "right one" and helps you cut your losses if the guy you are seeing is likely to be unable to commit. Rani points out that all of us have a soul mate and some of us have more than one. There are people who come into our lives for a period of time, leaving behind lessons that we must learn in order to move forward. This is growth, not failure. I can't help but wonder what would have happened had my lovely wife, Inga, had a copy of *The Soul Mate Checklist* when we were dating. Guess I'll never know . . . but what I do know is that Rani is spot-on when she writes that it can take more than a few dates before women know whether or not they like a man. Meanwhile, men everywhere should be grateful that she says women frequently rule a man out too soon. In fact, that could have happened with Inga and me. We met when I hired her to be my personal trainer. She pushed me hard and I didn't like that . . . or her, at first. Somehow we overcame that less-than-promising start, and when we married in the backyard of my home, it was one of the best days of my life. I hope that after reading *The Soul Mate Checklist*, you too will find your soul mate to share your life's journey.--Jack Canfield, Coauthor of the *Chicken Soup for the Soul* series and *The Success Principles*

Rani St Pucchi writes from a deep place in her heart and soul. It is obvious in her book that she draws from a wealth of experience in identifying what works and does not work in relationships. There's nothing more rewarding and thrilling than finding a relationship that is truly a "soul fit" and nothing more painful & frustrating than investing yourself in one that is a big disappointment! I love the way Rani draws from a deep spiritual place within herself to create the "checklist" and creates a truly thought provoking and stimulating internal experience. She is a very gifted writer who draws you in immediately with her wisdom and authenticity. It's a truly wonderful book!

Author Rani St. Pucchi writes of walking women through their journey of finding true soul mate love. She also reveals many a great insight for those of us in the male species. I absolutely loved this gem of a book. I appreciated the multiple numbered lists in the last few chapters.

Wow! What an amazing book!! So concise, and to the point! We all want to find our Soulmate. Rani provides actual steps that will help you do this!! And, the guidance that she provides will help you to determine if you found a Soulmate, or you found someone to learn from (which in turn, may better position you, to find your Soulmate). Don't leave the most important decision in your life, up to chance! Empower yourself, and your choice of life partner, with this book!!

Rani St. Pucchi is a fantastic author, designer and spiritual person who will guide you on the journey to finding your soul mate. Whether your first soul mate book or one of many, you will not be disappointed by what you learn here. She goes beyond the usual to help you find 'the one'. Loved it. Brilliant.

Rani St Pucchi is an amazing author and heart lead leader. She uses her experience and insight to help you understand personal relationships to guide you to finding your soulmate. I highly recommend this book to anyone looking for love with that special someone, their Soulmate!!

Rani St. Pucchi shows her expertise in love after years of sitting with and advising brides, her book reminds us that love is an all-encompassing dynamic concept. A great reminder and fresh perspective on what it takes to find your true soulmate!

This is a wonderful addition to Rani's first book Your Body Your Style..... a must read...I look forward

to finding my soulmate in 2017. Thank you Rani for this wonderful book!

This book can improve your outlook on yourself and help you have better and more satisfying relationships.
