Presidential Dollar Collector's Folder

Synopsis

The U.S. Mint has started issuing handsome new silver dollars featuring images of the presidents in the order that they served—and this time they’re taking a fresh, contemporary approach! Beginning this year with George Washington, John Adams, Thomas Jefferson, and James Madison, each coin will have large dramatic artwork (bigger than ever before) and display the Statue of Liberty on the reverse. They’ll also feature innovative edge lettering and a process to make the coins stay shinier longer. This 4-part folder is a handsome, practical way to collect those coins as they’re issued and keep them in perfect condition over the years. Done in the same specs as the very successful 50 State Quarters Collector’s Folder (more than 100,000 copies sold), The Presidential Dollar Collector’s Folder offers informative background material on the mint and the presidential coin program, as well as selected highlights of each president’s term in office.

Book Information

Board book: 8 pages

Publisher: Sterling; Nov edition (October 1, 2007)

Language: English

ISBN-10: 1402751001

ISBN-13: 978-1402751004

Product Dimensions: 9.3 x 7 x 0.6 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 3.9 out of 5 stars 31 customer reviews

Best Sellers Rank: #1,010,572 in Books (See Top 100 in Books) #73 in Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders #144 in Books > Children’s Books > Growing Up & Facts of Life > Family Life > Money #1186 in Books > Children’s Books > Activities, Crafts & Games > Crafts & Hobbies

Age Range: 8 and up

Grade Level: 3 and up

Customer Reviews

I used the regular blue whitman presidential dollar coin folder. That one was a bit tight. This one is not so! This coin folder fits the dollar coins very well and very easy. And it holds the coins pretty well. I definitely recommend this product over the whitman blue folder.

The booklets arrived quickly. Since no mention was made of the books capacity to hold both mint

locations, I thought it would only hold one series of Presidential Dollars, but in fact, there are spaces for both Denver and Philadelphia. Also, the book's dimensions are 9 1/4" x 6 3/4" and it is quad fold. The information about the Presidents are in fold-over papers which if small persons are to use should probably be laminated. It will fit easily on a bookshelf which is a plus in my mind.

It looks really nice; it has slots for both "P" and "D" coins. Coins fit well and snugly. The merchant was reliable and the booklet arrived on time and in excellent condition.

I love how well it is set up. The descriptions for the coins are easily readable. I only wish that it has a plastic cover to go over the coins themselves. I sometimes feel that they might fall out if I open it wrong. But they are just snug enough that I haven't had any problems. I LOVE that it has a space for both mints of the coins. No need to buy a secondary folder.

This is a nice-looking album for saving your Presidential Dollars but it was not for me because it had slots for both P and D dollars and I wanted just one slot per dollar. If you're looking for a decent, inexpensive album with two slots for each dollar, I would recommend this one.

I bought this because it was so cheap and it was what I was looking for. The shipping said 17-28 days but I think it got here in like a week. When it arrived, I was super excited and started filling it out and I can say that it is a quality product and if presented with the choice, I would buy again.

I ordered this folder after buying the folder for the Commemorative State Quarters from the same company, which turned out to be an excellent folder. This one, not so. There is a tear on the inside that cannot have been made during transit or handling. The binding is all creased and strained, because it doesn't allow sufficient room for the pages to close. It was really disappointing to receive a folder like this, especially given that the Quarters folder was so good. The slots go up to Gerald Ford, and there are no extra slots, nor is there a slot for Ronald Reagan. Clearly, a lesser amount of thought was put into this folder. It's kinda sad, since this could have been an excellent folder, had there been enough initiative. I am alright with storing my Dollars here for the moment, and hopefully a better or improved version of this folder will come out in due time.

I love this Presidential Folder. Holds coins from both Philadelphia and Denver Mints. The coins fit in perfectly and they stay in. I love the design of the Seal of the US President on the front cover.
