## Customer Reviews

Book by Brown, Steven, Brucato, Phil, Hatch, Robert

This book compiles both "The Book of Chantries" and "Digital Web", older books for Mage: the Ascension, into a single volume. At the time it was released, this book was an excellent deal. Now, it's more for the collector. Digital Web has been revised, and Book of Chantries is good as source material, though you will have to adapt it to the new Revised Edition ruleset. It's a good book, but you'll have to do some work to make use of it.
