The Candle Of God: Discourses On Hasidic Thought

Synopsis

Rabbi Adin Steinsaltz takes readers on a journey of the soul through the teachings of Hasidic leaders, Rabbi Schneur Zalman of Liadi, founder of the Chabad movement, and his grandson, Rabbi Menachem Mendel. With characteristic ease and lucidity, he explains the hidden aspects of Shabbat, the essence of the soul in Torah, the inner meanings of sanctity and restraint. It is a unique bridge between ancient Jewish wisdom and the modern world.

Customer Reviews

Text: English (translation) Original Language: Hebrew --This text refers to an out of print or unavailable edition of this title.

This is the second book from Adin Steinsaltz that I have read. ("The Thirteen Petalled Rose" being the first). He was proficient at explaining difficult concepts in a manner that was understandable. Some of the deepest topics are a bit clearer from reading this book. Trials and suffering, repentance are just a few of those topics that I view differently after reading this book. The chapters on "The Trials of Life" were very good!! I learned a lot about the connection between wisdom and understanding. You don't have to be Jewish to appreciate some of Adin Steinsaltz' teaching. If you want to read about various aspects of life from a Hasidic perspective, this book is one I recommend.

I can't put into words what this book meant to me, a returning Jew. I would recommend it for

everyone who wishes to understand kabbalah and the soul of the Jewish people.

I loved it

An amazing translation of difficult chasidic chabad concepts, written and published in an exceptionally clear format by one of this generation's great Torah scholars. Looking forward to future translations of hitherto essays not accessible to the English speaking admirer of Chassidic thought.
