Commentary On The Epistle To The Ephesians

Synopsis

Charles Hodge - (1797-1878), American theologian Hodge was born in Philadelphia, Pennsylvania on the 28th of December 1797. He graduated at the College of New Jersey (now Princeton) in 1815, and in 1819 at the Princeton Theological seminary, where he became an instructor in 1820, and the first professor of Oriental and Biblical literature in 1822. Meanwhile, in 1821, he had been ordained as a Presbyterian minister. From 1826 to 1828 he studied under de Sacy in Paris, under Gesenius and Tholuck in Halle, and under Hengstenberg, Neander and Humboldt in Berlin. In 1840 he was transferred to the chair of exegetical and didactic theology, to which subjects that of polemic theology was added in 1854, and this office he held until his death. In 1825 he established the quarterly Biblical Repertory, the title of which became the Princeton Review in 1877. He secured for it the position of theological organ of the Old School division of the Presbyterian Church, and continued its principal editor and contributor until 1868, when the Rev. Lyman H. Atwater became his colleague. His more important essays were republished under the titles Essays and Reviews (1857), Princeton Theological Essays, and Discussions in Church Polity (1878). He was moderator of the General Assembly (O.S.) in 1846, a member of the committee to revise the Book of Discipline of the Presbyterian church in 1858, and president of the Presbyterian Board of Foreign Missions in 1868-1870. The 24th of April 1872, the fiftieth anniversary of his election to his professorship, was observed in Princeton as his jubilee by between 400 and 500 representatives of his 2700 pupils, and \$50,000 was raised for the endowment of his chair. He died at Princeton on the 19th of June 1878.

Customer Reviews

This is a good commentary to use to help develop a sense of what Paul is saying in Ephesians. I like Hodge's approach, but sometimes the commentary can get so technical that it's difficult to follow. So use another commentary or two as accompanying texts, but this is a good tool to go deeper into the epistle.

Great commentary!!!

Solid, mature Bible exposition instead of "feel good and rich and healthy" sermons by today's Laodicean ministers.

Too many words with little interesting information. If you like lots of details and another person's opinion, this is for you. I found some of it fascinating but quickly lost interest when it switched from fact to opinion.

A great resource book for the layperson or serious student of Ephesians or the writings of Paul. The author writes an in-depth study, but uses language, proofs, and arguments that are easy to cross-reference and understand.

Everything very good.
