Indiana Atlas & Gazetteer

Synopsis

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas & Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas & Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses. Indiana Gazetteer categories » Amish Country » Attractions » Biking » Campgrounds » Canoe Trips » Covered Bridges » Fishing » Hiking » Historic Sites » Hunting » National Lands » Nature Preserves » Scenic Drives » State Lands » Unique Natural Features » Wildlife Viewing » Wineries Suggested Uses » In-vehicle for everyday reference » Exploring back roads » Outdoor recreation preparation and navigation » Business travel » Planning vacations and leisure activities » Armchair journeys

Customer Reviews

DeLorme has been directly responsible for many of the major technological advances made in the mapping industry over the past 30 years.

It is useful for identifying county roads in rural areas and major roads through and around cities. The

contours will give you an idea of the terrain in forest areas, but the elevations are not given. You may need a magnifying glass to read some of the information.

This is my 2nd one! My dog got a hold of the 1st and tore it. You will never get lost in Indiana with this map. I am using it to find all the small towns in Indiana which I plan to visit. I take pictures of small towns and backroads and then post them on Facebook. I call it Walking Small Town Indiana. It has been a great tool! I prefer this map over online maps or gps!

DeLorme is my "go to" map, atlas and gazetteer. Thanks for continuing to put out really accurate, highly detailed and highly readable maps.

I purchased this map book because we are planning to travel to Indiana. I now have a clear idea of how to drive to Indiana using my preferred routes. This map gives just enough detail about the interstate highways and the cities so I can see the main streets. When we get there we will buy the detailed street maps. Definitely would recommend

Happy

Very good map if you travel the side roads of Indiana

It is an older version.

After years in Military Intelligence, I gained a great appreciation for great maps. The Delorme Atlas and Gazetteer series are those maps. Go ahead! I dare you to get lost. S
