Andrew Jenks: My Adventures As A Young Filmmaker

Synopsis

Meet the filmmaker who is the voice of his generation! Behind the camera, Andrew Jenks has captured the attention of young adults everywhere with his innovative MTV documentary series, *World of Jenks*. When asked about his inspiration for the show, Jenks said, "I want to tell the stories of my generation. I want to be a filmmaker that is able to capture what my generation thinks, how they act, and what they ultimately stand for." Now fans of all ages will be able to discover everything they've ever wanted to know about Jenks, from growing up to becoming a renowned documentary filmmaker in this comprehensive photo-biography. How did he do it? By following his own rules for success—always be flexible, fake it till you make it, and never accept no.

Customer Reviews

I have been a fan of Andrew Jenks for many years. When I heard he had a book coming out, I purchased the digital copy. I was very impressed, because it was written as if Jenks himself was talking. People may not appreciate the writing style, but for those of us who are familiar with him, it

comes as no surprise. I would very much recommend it.

I had no idea who Andrew Jenks was until I was watching a show, The Crossover with Beadle and Briggs, he was an interesting and funny guest. So he mentioned this book and I picked it up. Enjoyable, quick read that give a look inside Jenks process of making documentary films.

A very interesting read. Its an easy book to get through as the writing is fairly simple and there are many pictures which makes this book seem like more like another episode of Jenks, except we get an inside look at what brought him to be where he is today. Deff recommend if you are a fan of Andrew Jenks.

Sure, this book is a little simple at times but it's an entertaining and informative read. Even if you're not a fan of Jenks (and I'm a big fan), it's a fascinating look at someone who has accomplished a lot. Highly recommend it to anyone interested in film!

What a wonderful book about a young filmmaker and his adventures. Very descriptive. Definitely a smart and creative young man. I look forward to seeing more of his works in the future. Everyone should own a copy of this book.

Andrew Jenks is one great person, I love that he tries to share the perspective of all different people, he really helps me to see that just because someone is different, that we are all human and alike in so many ways.

I loved the book. His story is so inspiring and it is so nicely told. I read it in one night. His story and the story of all the people he met is amazing. And got to love the pictures!

So real and refreshing! Love the show so I bought the book and finished it in 6 hours I couldn't put it down!! Highly recommended!
