RNWMP: Bride For Theodore (Mail Order Mounties Book 0)

Synopsis

Jessica Sanderson knows what it means to love unconditionally. She has doted on the same man for over a decade, and she's in her early twenties. When that man's mother asks her to be her traveling companion, she gladly accepts. She doesn't want to spend the rest of her life sitting in a bank, after all. When the plan changes to something a bit crazy, she drags her feet, but finally agrees, only to have her heart broken in two. Theodore Hughes remembers Jessica from when they were younger, but he hasn't given her a second thought in years. When she comes to visit him as his mother's traveling companion, he's shocked to find out what his mother has up her sleeve. It doesn't take him long to think that his mother might be right. But could Jess give up the comforts of city life to be a Mountie's wife? Or will they spend the rest of their lives alone?

Customer Reviews

Wonderful story and a fast read. This book gives true meaning to the saying that the way to a man's heart is thru his stomach. A well told story that grabs you from page one and hold on till the end. Happy reading

I love the change of location. Love the friendships and the comic relief between the characters. Well written dialogue. Worth reading.

I loved this book, but then I love all books from this author. This is an awesome start to what I believe will be a great series.

Love the beginning of this series, a great story. Can't wait to read the next book! Thanks Kirsten for another beautiful book!

Such an excellent story. Talented author! I can't wait to see what the others have to write. I am now officially living in the "Mounties" world!

Oh my, I do love the Mounties for their kindness, hard working and appreciative spirit. They will be great husband material.

Very good book. Can't wait to read more about the Mounties.

This was a fun start to a fun filled series. Gotta love Monty, the moose
