Easy Classical Violin & Cello Duets: Featuring Music Of Bach, Mozart, Beethoven, Strauss And Other Composers.

Synopsis

This collection features a selection of classical pieces by the world's most renowned composers: Johann Sebastian Bach, Antonio Vivaldi, Johannes Pachelbel, Wolfgang Amadeus Mozart, Ludwig van Beethoven, Richard Wagner, Johannes Brahms, Johann Strauss, Pyotr Tchaikovsky, Giuseppe Verdi and Edward Elgar. This selection of pieces is intended for absolute beginners. While other books have a accompaniment part for teachers, in this book the accompaniment has been over simplified for beginner students. Includes: 1812 Overture A Little Night Music The Blue Danube Bourre from Lute Suite BWV 996 Canon in D Bridal Chorus La Donna " Mobile Dance of the Flowers F" r Elise Greensleeves Jesu, Joy of Man Desiring Land of Hope and Glory Lullaby Ode to Joy Spring - Four Seasons

Customer Reviews

cello parts are very basic, more like bass parts than a true duet with the melody, and on occasion there are some odd sounding harmoniesseveral errors in the printing- incorrect fingerings for violin, misspelled names (Wolfgang Mozart, instead of Wolfgang)

My brother and I decided in our middle years to learn to play the violin and the cello, respectively. We sought a book of classical duets that would be easy enough for our "old" brains, yet more mature than the usual beginning duets of children's songs. We were not disappointed with this book! The violin parts are challenging on some pieces and familiarly easy on others; the cello part can get

a bit boring on a few pieces but provide practice in a strong, steady accompaniment. We were very pleased with our purchase.

Good selections for beginners and those who haven't played for a long time

Pretty awful arrangements of standards you've heard a million times, such as the wedding march, dance of the flowers, canon in D, and the like. They are definitely easy though, as in you've been playing for a few months and you're a child easy. Notably the cello parts mostly consist of half notes on open strings. I would not recommend this book except to very young musicians.

My kids love this book. I have an 8 yr old on the violin and 6 year old on cello. Cello part is super easy, mostly half notes. Violin is easy as well. All the favorite recognizable songs (my kids loved little einsteins so they are familiar with these classics.) also love the piano/cello version of this book, gives the cello the melody.

Looks fine, but I did not end up using it because the parts were not separated and I did not have access to a copier at the time.

cello part is a bit too simple. Also, wish it was spiral bound, as it is frustrating to have to bend the book back to see the notes. Good songs, though.

This is a great mix of music for musicians that are learning to sight read as an ensemble or for more practiced play. They also sound great!
