## Customer Reviews

A Break of Day is the exciting conclusion to Sofia and Derek's story and a great introduction for the series to move forward onto Kiev's journey. My Likes: A great story of the triumph of

good over evil! The meaning of their journey to "true sanctuary" was not what I had expected. It was much more exciting and surprising than I thought and who doesn't enjoy that? It has a happy ending that's a little silly but completely understandable after what these characters have been through. They needed to let their hair down and just enjoy themselves. Most people would act the same way I believe and this gave the book its realistic appeal for me. Great emotional content. Triumph, grief, love, relief, worry and happiness. It has them all! Very noticeable and quite significant changes in each character over the journey. Especially those who live at "The Shade". My Dislikes: None! I want more! I want more! I want more! (I'm pretty sure you expected me to say that) ;-)

This series is seriously, interesting, intense and exciting. I highly recommend it to fans of supernatural reads. Fantastic 5 stars!

I am a great lover of Vampire stories, be it books, movies, TV series, etc. That being said, I am also VERY selective about which of those stories I get into and follow. I adored Anne Rice's Vampire Chronicles (and the movies that went with them), and True Blood, but couldn't care less about such stories as Twilight... It has to have the right feel for me to stay involved.. I had never heard of Bella Forrest until I started seeing ads for A Shade of Vampire, but I didn't pay attention--at first. Then, I went and read the synopsis, and decided to give it a try. I read a couple of chapters, and eventually discovered it was one of a series, so I went back and purchased the rest of the set. From the moment I arrived at The Shade, I was in love, captivated! I laughed, I cried, I felt the pain of battle--and I will read them all again. My only regret is that I didn't find these masterpieces sooner!

This book is a great conclusion to the Main protagonist story line. I am so glad I found this series and decided to give it a try. Great imagination on the part of Ms. Bella Forrest. I am interested to read more in her other series. If you enjoy paranormal romance with a bit more added in then you should definitely read this series.

My review will cover all 7 books in this series. First, it took 7 books to tell the whole story with all the necessary details. The characters were well developed and I rooted for the good guys and booed the bad guys. Really got caught up in the whole story. It was an exciting adventure from the first page of the first book to the last page of the last book. Bella Forrest was able to weave all the twists in the storyline and I was kept guessing until the very end. The books were real page turners and I look forward to more books written by Bella Forrest. I definitely recommend these books to anyone who loves adventure stories incorporating love stories.

I just Love, Love, Love this series!!! Anyone who loves otherworld novels will be taken away with these.

This series.... Wow! It's absolutely phenomenal. I've read ALL KINDS of vampire novels/series, & this one is hands down the best I've ever read. Bella Forrest is such a talented, absolutely brilliant writer. Her stories keep you sucked in & on the edge of your seat. The depth in each book is astounding. If you haven't read Derek & Sofia's story, you won't be disappointed. Their journey is one of such romance, adventure, heartbreak, & happiness. You'll laugh & you'll cry. Start at "A Shade of Vampire" & I promise you will not regret it. 100 STARS BELLA!! THANK YOU SO MUCH!!

A great ending to a chapter in Sofia's & Derek's lives. Can't wait to continue to read more about the Shade and what's to come!

I didn't get any sleep because I stayed up all night reading it. I couldn't put it down . I can't wait to read the next book. Loved it .
