The Lost Child: A Gripping Detective Thriller With A Heart-stopping Twist (Detective Lottie Parker Book 3)

Synopsis

They placed me in here and threw away the key. I look down at the gown they've put on me. I want my own clothes. I don't know how long I've been here. An elderly woman is found murdered in her own home, and Detective Lottie Parker and her partner Detective Boyd are called in to investigate. When they discover that the victim's daughter is missing as well, they start to fear for the safety of the whole family. Two days later as a nearby house is set on fire and with the body count rising, Lottie and her team begin to unpick a web of secrets and lies, as the murders seem to link back to a case investigated by Lottie's father before he took his own life. With little knowledge of what really happened to her father, Lottie knows this is a case that could give her some answers. But how much does she want to know? And how far is Lottie prepared to dig to uncover the truth?

The Lost Child is a thrilling page-turner from the bestselling author of The Missing Ones and The Stolen Girls that will have you guessing right to the very last page. Perfect for fans of Rachel Abbott, Angela Marsons and Robert Dugoni.

I find it incredible that this is a debut novel, as it's polished, well plotted and gripping." The Book Review Café "Every now and then something good comes into your life. Well in this case two things have. Detective Inspector Lottie Parker and her team; and the author Patricia Gibney who has written a brilliant page turner of a crime thriller. Let's hope we hear a lot more from both of them." Nigel Adams Bookworm
