Customer Reviews

'Like going on an all-night spree with alluring strangers one has just met in a smart bar: unpredictable, vivacious, happy, with glimpses of a world of sumptuous elegance and hints of romance, but above all lingeringly memorable.' TLS '[Hugh Massingberd's] series of obituaries... have proved themselves to be marvellously durable beside books,... His touch, both as an author and an editor, was invariably light... Although the foibles and eccentricities of the dead were often hilariously evoked (and the latest book, like its predecessors, makes you roar - shake - with laughter), it never nudges you in the ribs, never comes dancing up to you arrayed in cap and bells. It is in every sense a labour of love. An authentic Massingberd obituary never belittles its subject.'

Literary Review

Hugh Massingberd has written or edited some 40 books and is currently writing a memoir, *Daydream Believer*, for MacMillan. He lives in London.

Telegraph Obits are widely read. If you didn't know the dear departed before reading the Telegraph obituary you would wish that he, or she, had been your best buddy in life. Well researched, the life story is told with intimate revelations and very often with great humour. If you managed to appear in

a Telegraph Obituary column, your life had been noted and you could really rest in peace. This is just one book of the 'Very Best' and it lives up to its name.

best collection of British eccentrics funny and offers sidelights on history love it

My son introduced me to this book after a visit to England, and I bought it through . I love it. The reader will meet some of the most interesting, admirable, dispicable, but always entertaining characters possible. The entries are of a perfect length for brief and satisfying perusal.
