## Customer Reviews

I have used the new testament books in this series, so I thought I would like this one and I am not disappointed. I use them in teaching a young adult (college age) Sunday School class at my local Protestant church. We do one lesson a week and generally these lessons are about the right length for a 45 minute class with some adaptations. Generally the adaptations I make are in not doing the intro or closing activity because these are often a bit juvenile for the age I am using them with, however even this group occasionally likes to have a bit of fluff in their lesson and we do them. Generally the lessons are thought provoking and on topic, providing a good mix of "I hadn't thought of that" with "Oh, now I see" and generally a "so what" application. I recommend this series.

jimmy love it , just fine. Nice and valuable. help me a lot. arrived on time, nice package, really like the product very sharp well balanced, good heft enjoyed using it very much
