Customer Reviews

I have been a fan of the dark knight since the eighties and this story was awesome! Bats did what he wanted to do and it was a constant rush.

This story was pretty raw. It was somewhat of a hard read, they really dive into the twisted state of who the Joker is

Every once in a while I like to treat myself to a nice hardcover batman comic. I enjoyed reading out of this. The pages, cover and binding are all good quality and I expect it to last a long time especially since I baby my comics. This one does not match the other volumes. It seems to sort of be it's own special edition. I would totally recommend this unless you're anal about your comics being consistent. The story itself is great as well of course. Great read.

One of the greatest stories of Batman and the Joker. It has everything you could ask for. From justice league to the bat family to all the Arkham villains. Joker proves yet again he is the greatest threat of all.

One of my favorite comic series streamlined into this graphic novel. Another classic Joker story showcasing his madness and his always questionable origins. This really is a great ending, where the joke is on everyone.

Well received

This actually collects Batman 35-40 (not 35-39 like description said when I placed my pre-order) plus some other goodies. I feel like this is Batman - End Game (Extended Version) You get more to the story, most of which is pretty cool. I absolutely love the End Game story by Snyder collect in the Batman Vol 7. The only thing I wasn't too into was Arkham Manor Endgame... but I like that they collected it here. I guess I got lucky, I was only charged 11 bucks for this due to when I pre-ordered...and it was at my door step when I got home from work. I think this was a great buy. As usual, Capullo's art is amazing. Batman & Joker fans should definitely pick this up. If you are on the fence on getting this or Batman Vol 7 I would say get this version. Unless you are anal about having collected all Batman volumes and you do not want to miss Vol 7...then I say, why not both? I would have dropped the score to a 3 if they did not include issue 40. The conclusion needed to be here.

What a great book, I've been dying to get my hands on Jokers End Game ever since I read Joker Death in the Family. I brought the book and received it from 3 to 4 days. I wasn't suspecting it to be

on my doorstep so quick!!!
