Customer Reviews

Nice little music book with chords - you really could use any music book and simply use uke chords but being a grateful dead fan was hoping for a bit more with this. Still happy with purchase.

Great for a beginner. Some of the songs have chords I don't know yet but I will get there!

I absolutely love this book. It shows all the chord diagrams which makes it 10x more easier! Which it had more songs. One of my favs.

On a whim, I searched for this book, and found it. Had to buy. Lots of classic 'Dead tunes for ukulele. Jerry lives!

It had all the songs I wanted in an easy to follow format!

It was a gift and they loved it.
