Lucy Finds Her Way (Faithgirlz! / A Lucy Novel Book 4)

Synopsis

Lucy Rooney is a feisty, precocious tomboy who questions everything—even God. It's not hard to see why: a horrible accident killed her mother and blinded her father, turning her life upside down. It will take a strong but gentle housekeeper—who insists on Bible study along with homework—to show Lucy that there are many ways to become the woman God intends her to be. Aunt Karen is taking over Lucy's life—what's left of it. Middle school is hard enough, with a new set of teachers and kids and preparing for the big soccer tryouts. But now Aunt Karen has moved in, imposing wardrobe inspections, threatening to get rid of the cats, and trying to be the world's original soccer mom. It takes all Lucy's got just to cope. When J.J. and Januarie are abducted by their father, Lucy mobilizes everyone to find them. Lucy's a good detective—but she ends up a hostage too. In the fourth and last installment in the Lucy Novels, Lucy must depend on an unlikely ally to find her way out of this mess and in life.

Customer Reviews

My granddaughter loves to read. The Faithgirlz gives her the kind of stories tween and young teens love to read, but with the morals a Christian family wants their kids to have, without the smut! She said this series is great and she has told all her friends about the series.

My daughter loves the Faithgirlz series. We got her a kindle to keep up with her want to read and she is constantly looking for more of Nancy Rue's books to download. These are the perfect books for young girls to read. There is so much garbage out there and I'm glad we can get books like these.

I loved the whole book. I think everyone should read it. The end made me cry for some reason. I love the book sooooo much
