such a cute story! I read it the first day of school with my EAK kiddos. They loved recognizing Clifford and getting to see his adventure on the first day of school :)

Always nice to have a good read for the youngsters. My kids love Clifford.

This is a great read about the many adventures in learning kids experience at school. Clifford's participation adds humor and shows how fun school can be! I read it over and over as requested by our three year old daughter who also loves her pet dog and all books about Clifford!

My 2 year old grandson loved this book.

My Kids love the clifford series and are in love with everybook, this one came just in time for bedtime stories, great easy read for kids to follow, I'm glad I bought it.

Love all of the Clifford books and this one is no different. Bought this for my niece for her first day of preschool. Cute story and enjoyable to read!

I ordered eleven Clifford Th Big Red Dog books for my grandsons, ages 2 1/2 & 4 for Christmas. They ask to have all of them read EVERY day! The stories are entertaining, while providing a good message or practical life lesson, even for little readers. Colorful illustrations and just the right size.

Its a good book soft cover
