#### Customer Reviews

Sarah was a shifter unable to shift. She is aided by her friend who s a witch. Her friend gave her a ritual to do n the fairy ring in the forest. The only thing she didn't have for the ritual was a werewolf

pre-cum so then she would shift. Meanwhile Cullen was running in the forest on his birthday since his friend told him that they left him a present in the forest. He starts to smell the scent of her heat and then realizes she is his life mate. He comes out of the forest to see a human dancing around a small fire.... and to find out what happens...... I highly recommend this book. This is my first book by this author I will be putting her in my author to read.

Quick Reading with her wolf wishes that comes true with a little help from her friend. Just wished it was longer reading so it had more build-up and background for the characters. SOOOO for a really quick read when your time is limited this will be a great quickie!Ã Â Â"Â-Ã Â Â Â'Â Ã Â Â Â'Â Ã Â Â Â'Â.

I loved this insanely naive half human! The things she went through to try to be a whole wolf was too fun.

I love Jamie Klaire books. They are hot, sexy, sexy stories of finding your true mate. The way the characters interact with family, friends & other people who come into lives is important to the plot & stories

Just like a shot of espresso, this short story will give you a quick fix of hot and steamy shifters!

Strictly for the mature minded, this is definitely not for the innocent. Resolving a half breed's inability to shift could not have been more entertaining!

I apologize for not getting back to reviewing this book sooner. I have forgotten much of the detail of the story, but I did like it. It is an easy read and good, too. I would recommend it.

Would have liked this story to be longer. I hope the author will expand this story. I like to get more involved with my reading. This was OK not memorable.

For such a short story it was cute and funny! It also shows the power of belief as long as your willing to do what it takes!
