The Red Door Inn: Prince Edward Island Dreams Series, Book 1

Synopsis

Marie Carrington is running from a host of bad memories. Broke and desperate, she's hoping to find safety and sanctuary on Prince Edward Island, where she reluctantly agrees to help decorate a renovated bed-and-breakfast before it opens for prime tourist season. Seth Sloane didn't move 3,000 miles to work on his uncle's B and B so he could babysit a woman with a taste for expensive antiques and a bewildering habit of jumping every time he brushes past her. He came to help restore the old Victorian - and to forget about the fiancée who broke his heart. The only thing Marie and Seth agree on is that getting the Red Door Inn ready to open in just two months will take everything they've got. Can these two wounded souls find hope, healing, and perhaps a bit of romance on this beautiful island?

Customer Reviews

Who wouldn't love this read?...The setting is Prince Edward Island and the heroine's favorite fictional character has always been none other than the redheaded orphan most of us love as well. I was hooked from the very beginning! So many enduring characters and such an intriguing storyline in one of the most enchanting locales ever, North Rustico on PEI. I want to stay at The Red Door Inn and so will you when you dive into this must read novel. Can't wait to delve into Caden's story in the next book in this series.

I always enjoy stories about seashores and inns. I loved all of the people that lived there and was

caught up in their relationships to the islanders. I read this book in one evening.

Designer clothes, Wharton MBA, an uncaring father tosses Marie a life of fear and drama. That is until Jack shows up. Wonderful story of God's love with examples of people in our lives.

What a good book this was to read. I could not stop until the end. I am a fast reader but sometimes I have to slow down and enjoy the story.

5 stars for this novel! A book about lives shattered by different reasons that are brought to second chances by a loving God.

This is a wonderful read, with beautiful descriptions of PEI and the simpler life on the island. The story is heartwarming and enjoyable.

There were so many emotions in this wonderful challenge to find where and whom to really be. What a wonderful story.

the story that shows how people can find people to love like family and the people in this small town
