Diving In Tahiti

Synopsis

Thierry Zysman, a Frenchman by birth, settled in Tahiti in 1986. Already a famous photographer, he decided to devote a book to the best underwater sites of his new country of adoption. Since then, Zysman and Tahiti have been linked. He produces almost all the tourist and eco-photos used by industry there and worldwide. He has since produced three additional books, also originally published in French - The Guide to the Fish of Tahiti and Her Islands; The Birds of Fenua; and Tahiti: Ocean Colors. Diving in Tahiti is intended to be a practical, easy reference. Each dive site is a separate entry. Included is all the information you will need to go on the dive, and a brief description of the dive's main attractions.
