Raquel Rabade Roque is the owner of the Downtown Book Center in Miami. She lives in Miami, Florida.

I can usually find at least a few recipes I love when I buy a new cookbook, but *The Cuban Kitchen* is riddled with them. Every recipe that I've tried has turned out delicious, and my Cuban husband even says it reminds him of his family's home cooking.

I keep turning to this cookbook--for everyday, delicious meals as well as for special occasions. And the family stories are lovely.

Tried to remember my parents recipes as much as possible- this book helped confirm !Great stuff- legit! Papa rellena came out just like dads!
