Customer Reviews

This book was wonderful! I kept me interested from page 1 to the last page and there were some twist and turns that you did not see coming. I love books about the Amish because I love the family friendly stories and the fact that they are romantic but you don't have to worry about reading things that may compromise your faith or morals. Though I do wish they were a little more forth coming on some of the romance. I learn a lot about different situations and how different people handle them and how they see things which helps me in my Christian walk. Lynn Driscoll

I never heard of an Amish matchmaker but Emily definitely was one. This is a great book and the storyline was well thought out. At one point I never thought Emily would fall in love with Tom or that Deborah would remarry after her husbands untimely death and the birth of her son.

Life can be so surprising. What are the signs of love? How to find a matchmaker? Life can be so cruel or so wonderful. What ever it is it is worth living for!:

I gave five stars---I really love these stories related to the Amish!!! They are a fascinating people!! These books are highly recommended for everyone---good clean romance stories

I really enjoyed this story. I think it is the best one so far of all the ones in this series. Thank you for a great story.

Another good story in this series. Easy reading and even though you have an inkling as to who ends up with who it's fun to see how it gets to that point. The story moves along quickly and before you know it it's over. Enjoy! GAB

I loved this book.. got the other books too. Very good...
