"In my opinion, Hess' CRIMINAL INVESTIGATION has always been the most comprehensive textbook for criminal investigation. It provides all the basics associated with any criminal investigation and then provides detailed, in-depth explanation of the evidence and procedures involved in the investigation of specific crimes." "This book is very well designed and I really applaud the authors for their excellent research, concise writing, identification of terms, and issues highlighted in boxes."

The late Karen Matison Hess, PhD, wrote extensively in law enforcement and criminal justice, gaining a respected reputation for the consistent pedagogical style around which she structured each textbook. She co-authored multiple editions of MANAGEMENT AND SUPERVISION IN LAW ENFORCEMENT, CRIMINAL INVESTIGATION, JUVENILE JUSTICE, and INTRODUCTION TO LAW ENFORCEMENT AND CRIMINAL JUSTICE in addition to CONSTITUTIONAL LAW AND THE CRIMINAL JUSTICE SYSTEM; much of her work and influence remains unchanged in this new

edition. Christine Hess Orthmann holds an M.S. in criminal justice from the University of Cincinnati and has been writing and researching in various aspects of criminal justice for over 20 years. She is the author of numerous Cengage Learning textbooks, a former reserve officer with the Rosemount (Minnesota) Police Department, and a member of the Academy of Criminal Justice Sciences (ACJS), the American Society of Criminology (ASC), the Text and Academic Authors Association (TAA), and the National Criminal Justice Honor Society (Alpha Phi Sigma). Henry Lim Cho holds an M.A. in Human Services with an emphasis on Criminal Justice Leadership from Concordia University, St. Paul, Minnesota. He has worked in the field of criminal justice for more than 10 years, having held positions in private security and as a community service officer, police officer, and detective. He retired from the Rosemount (Minnesota) Police Department with the rank of Sergeant. Sergeant Cho has experience as a use-of-force instructor and as a crime scene investigator. His professional memberships include the Text and Academic Authors Association, Minnesota Police and Peace Officer's Association, International Association of Identification--Minnesota Chapter, Minnesota Sex Crimes Investigator Association, High Technology Crime Investigation Association, National White Collar Crime Center, and the Fraternal Order of Police. He co-authored POLICE OPERATIONS and INTRODUCTION TO LAW ENFORCEMENT AND CRIMINAL JUSTICE, and has been published in the Minnesota Police Journal.

Great Price! It was intact.

Comprehensive, excellent book. A asset to any criminal investigator. eal b

Very thorough on criminal investigation techniques.

Unfortunately, I had to drop the class. Hopefully they'll still be using the same textbook in the Fall of 2017. I loathe to sell it back for half of what I paid for it! Plus, I can read ahead. It seems very

interesting as far as I got. I'm excited about being able to take the class again.
