## Customer Reviews

Joan Elliott's designs have been enchanting cross stitch enthusiasts around the world for years. She is a leading designer for well-known kit manufacturers Design Works Crafts Inc. Her debut book, *A Cross Stitcher's Oriental Odyssey* was also published by David and Charles. Joan uses her own small collection of vintage teddy bears and memorabilia as a source of inspiration. She spends much of her summer in Vermont, New England, where she continues to design and also takes time to explore country auctions and antique shops. Joan lives and works in Brooklyn, New York.

Anyone who knows cross stitch, knows Joan Elliott and this book of *Teddies* delivers! Everything you know, love and expect from Joan Elliot comes through on every page with every design. She never lets us stitcher's down with her beautiful talent with a huge array of different sweet and cuddly faces of these teddies. Several large and involved designs as well as plenty of smaller ones for cards and bibs and such. This is one of my number one books I reach for when I'm in a teddy bear

mood!

Have enjoyed stitching the bears.

The book is very nice and the shipment arrived to my house in excellent conditions.

Great book I ordered this one for a friend as we couldn't buy it in Australia

There is not enough complimentary words to describe just how wonderful this cross stitch book truly is!! Jammed packed full of gorgeous Bear patterns this book will delight any Bear Stitcher from young to old. Joan Elliott has to be my all time favourite Cross Stitch Designer. She is able to put together so many factors in her designs, color, cuteness, variety, detail, while still making the patterns easy enough to read and stitch for Beginners, yet intricate enough to keep us advance stitchers interested. The ooh's and ahh's, kept coming with every turn of the page, I was just so happy and excited when looking through this book that I could hardly contain my excitement! There isn't a single pattern in this book that I didn't love. This wonderful book of bear patterns will keep me in stitches for many years to come. I can highly recommend this book to everyone. It is truly worth the money and will be a heirloom for decades to come. These timeless teddy patterns will be a favourite with all. Get this book and fall in love with the adorable bears designed by the world's greatest designer (in my opinion!) Joan Elliott.
