Suzuki Violin School, Vol 1

Synopsis

World-renowned violinist David Cerone has produced a recording of the music from this volume of the immensely successful Suzuki Violin School. The CD features an exquisite rendition of the violin part with piano accompaniment. Titles include: Principles of Study and Guidance * Twinkle, Twinkle, Little Star Variations (Shinichi Suzuki) * Lightly Row (Folk Song) * Song of the Wind (Folk Song) * Go Tell Aunt Rhody (Folk Song) * O Come, Little Children (Folk Song) * May Song (Folk Song) * Long, Long Ago (T. H. Bayly) * Allegro (Shinichi Suzuki) * Perpetual Motion (Shinichi Suzuki) * Allegretto (Shinichi Suzuki) * Andantino (Shinichi Suzuki) * Etude (Shinichi Suzuki) * Minuet 1, Minuet II from Suite in G Minor for Klavier, BWV 822 (J. S. Bach) * Minuet 2, Minuet, BWV Anh. II 116 from Notebook for Anna Magdalena Bach (J. S. Bach) * Minuet 3, Minuet BWV Anh. II 114/Anh. III 183 (J. S. Bach) * The Happy Farmer from Album for the Young, Op. 68, No. 10 (R. Schumann) * Gavotte (F. J. Gossec).

Customer Reviews

This is about the nicest performance you will ever hear of Suzuki Book 1. I am glad that I purchased the David Cerone version instead of the standard audio CD. I do think that the price is a little high for what you are getting (I am not sure why this CD is significantly more expensive than the sheet music). Also, FYI this CD is copyright protected. We did not plan to steal copies, but my 3-year-old likes to change CDs herself, sometimes leaving them on the floor and causing our teething infant to grab them and bite them (which of course scratches them)... anyway, I wanted to make a copy so

that the original was not ruined in 3 minutes. That was not possible given the copyright protection. Overall, good purchase.

I have an 8 year old and a 5 year old who have been taking violin for 2 1/2 years. (we lost our first CD, and had to purchase a new one) Listening to the Suzuki songs they are learning to play is an important part of helping them learn to play their songs. We listen to this CD almost daily, and now we get to listen to volume 2 as well. The songs are beautiful, and the quality of the recording sounds perfect to me. However, I really wish this CD included a violinist playing the songs at a slow 'practice' speed. That would be so helpful as they are first learning the song. You can look up songs played at a slower speed on youtube, but it would be so nice if they could just be included on the CD. If your child is taking Suzuki Violin, the CDs are an absolute must. Listening is a very important part of the Suzuki method. Good luck on your Suzuki Violin journey!!!

Far, far better than the CD that comes with some of the Suzuki books (which sounds like they played it on a synthesizer), this David Cerone CD is good for listening. It is a bit too fast in tempo for most students of that level to be able to play along. My son's violin teacher has assigned him a certain amount of listening time as he progresses to each new song, and this CD is perfect for that (I just put it in the van's CD player and set the song to loop until we're all humming it). I wish they would release a second CD at half this tempo- several of the songs feel rushed, even just as listening music.

As other reviews have mentioned, this CD is missing the 4th variation of Twinkle ("Pineapple") which is found in the accompanying book. Aside from that, the pieces are played beautifully and are an excellent example for Suzuki students to listen to in order to become familiar with how they should sound when played correctly. My understanding is that the CD is for listening purposes, to "tune the ear", rather than for students to play along with, which is why the tempo of some may seem a little fast for the beginner. It is quite pleasant to listen to, and has a fairly short running time, which you will appreciate if you have to listen to it every day :)

Great product, but case had broken hinge even though a wrapped and new product. The CD was not damaged.

Good violine basics

It is an old version so our teacher was a bit thrown when I told her that it does not have the extra pieces with accompaniment only. I guess I should have researched more.

There is the fourth variation of Twinkle that is missing from this CD, the variation with 2 triplets for each note. I have no idea why they would have left that one out. Very annoying for my 6-year-old, who is learning to play them all. Also, it is played way too fast, but I might overlook that if it actually contained all the songs we need!
