The Book Of Love And Creation: A Channeled Text

Synopsis

This major new work of channeled literature shows readers how to develop their own intuitive abilities and continues the program of self-development begun in Paul Selig's popular previous book, *I Am the Word*. In this bold, bracing, and tremendously practical new work of spiritual psychology, author and medium Paul Selig takes the channeled teachings begun in his acclaimed *I Am the Word* into dramatic new territory. In this fresh revelation, the invisible teachers who speak through Selig actually instruct readers on how to develop their own powers of intuition, clairvoyance, and inner knowing. *The Book of Love and Creation* simultaneously helps readers develop as spiritual beings within, while growing into increasingly capable, resilient, and confident individuals amid the demands of outer life. Filled with meditations, exercises, psychological insights, and affirmations, *The Book of Love and Creation* immediately produces change in the life of every dedicated person who approaches it. Perfect for returning readers and newcomers alike, the book is an extraordinary experience in a new body of channeled wisdom that is attracting readers across the world.

“Generosity and compassion flow from Paul. His gifts help me find deeper connections to myself and to the world. His guidance is powerfully freeing, and, to me, indispensable.” —Joan Larkin

“In a world of would-be psychics making great claims for themselves with little evidence to back them up, Paul Selig is the real thing.” —Rachel Pollack, author of *78 Degrees of*

Wisdom: A Book of Tarot “Paul and his Guides somehow manage to transmit and then explain

ancient gnostic revelations in simple language that anyone can understand. The result is a kind of handbook on how to access and use the creative or 'out-picturing' powers of language and thought (our 'knowing') and the deep, still unconscious divinity of humanity (our 'worth'). A magical book." — Jeffrey J. Kripal, J. Newton Rayzor Professor of Religious Studies, Rice

University "Through his clear, compassionate, and at times ruthlessly insightful spiritual guides, Paul Selig has written a breathtaking and powerful treatise on the importance of self worth to spiritual knowing. However, this is no armchair new age philosophy. It is a transformational manual dedicated to making this essential knowing accessible. I found this to be one of the most powerful and influential books I have ever read." — Jose Luis Stevens Ph.D., Co-founder of The Power Path, psychologist,

teacher, and author of Secrets of Shamanism, The Power Path, and Awaken the Inner Shaman

This book and it's predecessor I Am Word will change your life as few books can do! It is radical in the best way...The channeled spirits ask you to choose if you want to be a vessel for Christ's Love and they promise to help in so many ways. This is serious stuff people..and Now is the time. The planet is evolving from fear to Love. We are being asked to choose to participate in this change as we allow ourselves to let go of fear based choices so that we may become vessels through which His Love flows. Highly recommended!!!

This book has given me new insights and inspiration as I search for spiritual and metaphysical truth. I will be using the advice given for years to come.

Paul Selig has been the receiver of incredibly important material from the Council of Ascended Beings. There are 3 books in this set that lead one to greater understanding of What we are, Who we are and how we Serve. The Book of Love and Creation is the second book in the series and ideally should be read in this sequence. This book helps us to understand that Love (that which is the incredible loving, creative energy of our Source, or GOD), and by realizing this and practicing the affirmations given in the books we are able, over a period of time, to raise our vibrations and become Christed, as Jeshua promised in his ministry on Earth some 2,000+ years ago. By becoming true Christed beings, we change the world and bring all humans into their own Christ consciousness.

I absolutely adore and love Paul Selig's work. This book is utterly life transformative. Deep, compelling and intense.

The second in a trilogy that is changing my life. Literally. So grateful for this work.

So far . . . it's what I expected, which is good . . . New to these "channeled" books, but Abraham was so great . . . This seems a 'softer' read than, say "Live Your Divinity" (which I'm also reading & is good, too) -- which I was hoping for anyway. In Intro, author says this book is a 'continuation and a deepening' of his 'guides' teachings, who say "this is the time, we have choice, and we are being asked again and again to wake up and claim our divine birthright" .(Love: The Secret, Louise Hay, Braden, Abraham, Dooley, Dyer)

I read this book over about a six month period, doing my best to digest every single line. It's THAT powerful. And the minute that I finally finished it, I went back and started over again from the beginning, wanting to make sure that I didn't miss a single insight. The channeled messages are designed to help raise a person's frequency, and nudge consciousness to an ascended state. And one can feel a transformation occurring merely by being in the "presence" of the messengers while reading. To anyone who is serious about ascension, and is willing to commit to putting suggestions into practice, this book and its predecessor (I Am the Word) are absolutely essential.

The Book of Love and Creation is indeed THE book of LOVE & CREATION. It is filled with this soothing and compassionate frequency in every WORD, therefore it naturally inspires you to CREATE out of LOVE. For me, that's genius and demands mindful action and a disciplined mind

aligned with a passionate heart... and practice, practice, practice... So, if you allow yourself to flow and feel called to read this text, dare to trust your guts and dive in... embrace a life as it is with curiosity... change is in the air, and it is fun and challenging and peaceful, you will find out by yourself if you taste any of the given exercises ... all at once, if one allows... go for it!
