LEMON: 50 Natural Recipes For Home, Health And Beauty!

Synopsis

How far can a lemon go...Do you have a lemon tree in your backyard? If not, then, are you always buying lemons from supermarkets? If you answer yes to these two questions, you are in for a big surprise! Hey, but what if I am not a lemon fan? Well, in that case, then perhaps, this book can change your perspective. What we have here are 50 recipes using lemon: that means 50 different ways this single fruit can benefit your life! Benefits of having this book: • You can go easy on your wallet while concocting your own beauty and health products! Lemons, as we all know, are abundant, so it only follows that it's inexpensive. Well, it is significantly less expensive than commercial beauty and home brands, which are chemical-laden. • Again, we have 50 recipes here! • Busy? No worries! Recipes could be made in just minutes, some of them could even be stored. • Worried over the other ingredients? No need because the other ingredients could also be easily found; in fact, most of them are already in your pantry! • I won't bore you with lengthy lemony explanations; the rationale as to why the recipe is effective will be discussed right in the recipe itself.
