Customer Reviews

I've been an Airbnb host for 2 months now and I suppose I read this book to see if I was doing things right. I found a lot of substance and reformation after reading this book. I definitely got a few more ideas out of this. For those new to Airbnb, I think you'll find this blueprint plan to be a well organized way to approach your new business.

A good outline of what is needed to run a vacation rental. No wasted words, with good recommendations for other management resources.

good for beginner you will get something

Great book.

Found it very easy to read and most informative

I highly recommend Aaron's book if you would like to know how to get started with Airbnb. I feel that he more than adequately prepares you to be an Airbnb host with his awesome 5 Blueprints. I've read some other very good stuff that relates to this but Aaron was pretty comprehensive and covered things I didn't even see in other sources. I feel so confident that I can wow my guests now. Great job Aaron!

Awesome book on Airbnb. An excellent blueprint to follow that is just absolutely stunning. The book is very well written and informative. 5 stars

Excellent book, an easy read, well laid out. Gave my wife and I all the information we needed to chart our own strategy. Highly recommended if you are thinking of going into this business.
