Much harder than I thought it would be. Thought it would be a good start for my elderly father but even the first puzzle was much too hard. The easy to hard description is not accurate at all.

I love Sudoku and it is even better in large print....even fun to do the hard puzzles. LOL

I like the large print, perfect for my husband who has a hard time seeing small prints.

Do you like having one puzzle per page? Do you like a variety of levels of challenges? Do you like a good paper thickness for your puzzle? Do you like supporting small press books? If so this is the Sudoku for you!

very good , and big , my kid like very much

Like the large format

Slower shipping but I think that's because of holiday traffic. Big font will be good for my elderly mother as each page is a different puzzle.

bought two of his books and I wish I had my money back. Neither one is easy as stated. I love Sudoku, but his are very frustrating.
