# Colon Cancer Study Guide; Concise Information That Every Med Student, Physician, NP, And PA Should Know

## Synopsis

Just the facts are included in this book. Written by a board certified medical oncologist, this is the perfect text if you are looking for a quick review of the information you need to know about colon cancer. We won't waste your time. The Colon Cancer Study Guide has distilled the key details down to the concise facts that you will understand and remember. Do you understand why KRAS testing is important? What about EGFR testing? Who gets chemotherapy? What about Gardner's syndrome? What do you need to know about hereditary non-polyposis colorectal cancer syndrome? The Flash-Med Colon Cancer Study Guide will present this information and the other key details about colon cancer in a way that you will find useful for patient care, clinical rotations, and board review. Buy this book now if you want quick and concise information about colon cancer.
