This is a beautifully illustrated book that tells Dolly Parton's story of her famous colorful coat! The story is simply lyrics from her song. I don't have children, but Dolly Parton is one of my favorite artists of all time, so I had to purchase her book! The pictures are sweet and endearing and I really think it would make a great gift, not only for a child, but any adult that is a fan. I would purchase this again and million times over!

It's such a sweet, timeless story of love and acceptance. The illustrations are beautiful with many precious details. I can't wait to share it with my grandchildren!

I read it to my 8 year old granddaughter and we both loved it. Talked about being kind to everyone and appreciating the the love your family shows you. And not judging others who have less. Be kind to all.

Who doesn't love Dolly Parton!!! Her Coat of Many Colors song has always been a favorite. Brooke Boynton Hughes' illustrations really brought it to life. You can tell Brooke draws with much love and caring behind each of her characters - the people, the buildings, the landscape - and put so much thought into each page. My grandson, who is 4 1/2, takes his time looking at each page as I read to him. He finds something new each time we read it. I have purchased other books that Brooke has illustrated and been so happy with all of them.

This book has many positive aspects for people of all ages. I highly recommend this book to those

who have been bullied and to those doing the bullying.

Wonderful book! It is simply the lyrics to "Coat of Many Colors" put together with illustration from the movie. The illustrations are wonderful. I gave this to my niece and nephew for Christmas and they enjoyed it. I am hoping that they will get many, many years of enjoyment from the book. Most importantly, I hope they are able to learn a wonderful life lesson from the moral of the book. Dolly is amazing and her story is too.

Bought this sweet book for my 3 year old granddaughter who loves music and reading. Super sweet story, great moral lessons - very happy with this purchase

Beautiful book, wonderful message, and I especially love the illustration and lovely details!
