## Customer Reviews

Loved how this book filled in the gaps to some of the past love stories. You also get a sense of why the demons and angels cling to Daniel and Luce and want their love to work out for once. So much amazing history to go back on and it was a wonderful short read. I didn't want to put it down. A must have for a fan of the series.

This book is a nice little extra book that tells 4 nice love stories. I of course personally loved Luce and Daniels story the most it was just so nice! Spoilers Shelby and Miles Takes place (when they had gone in the past looking for Luce) right after Daniel had told them to go home but Shelby and Miles end up in the middle ages by mistake and seek to find an announcer to take them back home they end up seeing a past Luce, heartbroken that she has not seen Daniel and Shelby and Miles promise her that they will bring him to her during the Valentines festival, they then see Roland (from there present) who tells them that he will get Daniel there and he will give them an announcer to go home. As the night moves on Shelby and Miles become closer and share a kiss. Roland and

Rosaline Roland seeks Daniel to bring him to the Valentines fair but ends up passing past Rosaline's (a girl that Roland was deeply in love with) castle and remembers the love that they had but how he went to go ask Cam in which he should tell her that he's an angel but Cam tells him to break it off now, Roland listened but Roland now regrets it. Roland wishes to apologize to Rosaline but doesn't when he see that she has a child and husband and another baby on the way. Rosaline's husband has to go off to a war but when he try's to take off Roland lies to him and tells him that he will take his place in battle that he should stay there with his wife and kids. Roland then seeks Daniel again until he comes across Arriane who tells Roland that Daniel is already on his way there. Arriane and Tess Arriane is an angel and Tess is a demon who are in love but must keep it a secret. However Tess tells Arriane that she had told Lucifer about their love and that they could be together if Arriane joined her. Arriane becomes upset and tells Tess that he was lying that the only reason he said that was so that she could tip the scale. Arriane and Tess get to an argument, Arriane breaks up with Tess and leaves. Arriane then feels that something had happened to Tess and goes searching for. When Arriane finds her, Tess had hurt herself, Arriane try's to help her but Tess blood burns Arriane's skin and Arriane's blood burns Tess (that will leave marks, this is what caused the scars that Arriane has) Arriane tells Tess that she will send someone to help her but also fully accepts that they really can't be together. Luce and Daniel This is an untold story that belonged in Passion. Luce cleaves with her past self, she finds out that she is poor and that Daniel is a knight, Bill tells Luce that this is the only Valentines Day that they ever spend together and tells her that he is going to leave for a little and tells Luce to enjoy to just a least have sometime off, Luce agrees. When she arrives home her family is getting ready for the Valentines festival in which they will be having a masquerade ball. Luce worries that she won't see Daniel but Bill had said that he would be there. Luce goes to the festival and joins in the dancing but worries where Daniel is as it gets later and later, finally Daniel shows up where he takes her away from the Valentines masquerade and into a forest where Daniel had done something very special for Luce and they spend the rest of Valentines Days together.

Fallen in Love is the perfect addition to the Fallen series, and it's just in time for Valentine's Day! The novel consists of four short stories; all love stories featuring a few of our favorite characters from the series. Love Where You Least Expect It: The Valentine of Shelby and Miles is the first short story in the novel. Shelby and Miles story was sweet and simple. I never really thought of them together when reading the previous books, but after reading this, I can definitely see them together. I really enjoyed getting to know both Shelby and Miles more in this short story, and I'm really hoping

that we will get to see more of them in the next novel. They are such great characters. Love Lessons: The Valentine of Roland is the second story in the novel. Roland's story was just heartbreaking. This is totally not the story I was expecting for Roland; he's always been a character that I enjoyed, and I was hoping for a happy story for him as well. But we all know that love does not always equal happiness. Burning Love: The Valentine of Arriane is the third story in the novel. Arriane is another character that I have always really liked. In her story, we get to see a completely different type of relationship than what I expected. Very emotional and intense, this story is definitely one of forbidden love. Endless Love: The Valentine of Daniel and Lucinda is the fourth and final story in the novel. I found this to be really sweet as well, although I do wish that Daniel and Lucinda had been together a little more through the story. However, the anticipation building up to where they finally meet was well worth it. Daniel and Lucinda's relationships are always sweet to read about. With the four short stories, and the quick pacing, this makes for a very fast read. I love getting the history for the characters that we still didn't have a history for. It was really interesting getting to see the past for Arriane and Roland. Overall, I thought this book was a good addition to the Fallen series. The stories were interesting, and I love the gorgeous cover for the book as well. It looks lovely displayed on my bookshelf!
