Customer Reviews

I am biased because all of Zola Levitt's writing witnesses so solid with my spirit and the confirmation that occurs on different subjects and questions deepens my understanding. I pray for the Holy Spirit to witness truth when reading all authors other than the Bible (pray that too when reading the Bible) and Levitt's writing keeps yielding fruit.

Like all of Zola Levitt's books, this one weaves Biblical truths with current events and keeps the

reader wanting to draw closer to the Lord.

Item delivered on time, was as described, great customer service (if contacted)
