# Bulgaria (Country Guides) (Country Guides)

## Synopsis

Bulgaria's charms include the attractive Black Sea coastline with a mixture of secluded coves and nature reserves; rugged mountainous scenery, with a wealth of wild flowers, birds and mammals; and several flourishing ski resorts. This corner of eastern Europe can also boast nine UNESCO World Heritage Sites, all included in detail in the Bradt guide. Special sections on Bulgarian food, wine, birding and natural history bring out the best of the country. Detailed information is also provided on the capital, Sofia. --This text refers to an out of print or unavailable edition of this title.

## Customer Reviews

'A good overview' Wanderlust Magazine --This text refers to an out of print or unavailable edition of this title.

Annie Kay has organized the British-Bulgarian Friendship Society's special-interest program since 1996. She has written articles on the country for various newspapers and magazines. --This text refers to an out of print or unavailable edition of this title.

Wonderful guide book, truly enhanced my trip to Bulgaria.

Average publication. Not very current. OK for basic information. Author is more interested in flora, fauna and wildlife! Not as complete as required. Written from a UK stance.

The Bradt Guide to Bulgaria, written by Dr Annie Kay, is the most comprehensive guide yet to this beautiful, rapidly changing, country in the far South East corner of Europe. Annie is a historian, a tour guide, an ornithologist, a nature lover and now a part-time resident in Bulgaria. Her interests are reflected in the book; there are beautiful colour photographs of buildings, birds and butterflies, explanations of the historical issues facing Bulgaria (eg the Macedonian question), up-to-date maps, tourist and travel information and even a section on how to purchase property in Bulgaria (citing her own flat purchase as a case study). Annie manages to capture the flavour of the people through their culture such that you can imagine the tobacco drying, the traditional costumes, the 'horos' dances and festival days celebrated in the imposing mountains. This book achieves so much more than being a guide for skiers and beach lovers, although they too will be well directed in their holidays. Annie uncovers the variety of delights in Bulgaria - from the gorges and the mountains to the plains and the beaches. I strongly recommend this encyclopaedic book to accompany you if you are to extract the gems on offer in this beautiful, fascinating country.
