## Synopsis

“It really is that easy, Sy. I’m yours, however you’ll have me, for as long as you’ll keep me. I’m trusting you with my heart, while you trust me with yours.” •Can your oldest friend also be your fated mate? The one person in all the world meant only for you? Sy is a broken omega, a single father with a young daughter. His nights are spent tortured by nightmares from the past; while his days are filled with anxiety and the pain of having to live in the same pack as his fated mate. The alpha that he’s known for his entire life is the one alpha that he could probably learn to trust with his heart. But this is also the one alpha that he can’t allow himself to accept. Seth has loved Sy as a friend since they were in school together. When he saw him again for the first time as an adult, Sy was already heavily pregnant with another alpha’s baby. An alpha that had no claim on Sy. Seth longed to claim his omega for himself, and to have the right to love Sy’s little girl as if she were his own. Before he can get Sy to accept him as a mate, he must first step back and allow Sy to heal from the wounds of the past. This book is intended for readers 18+ only. It contains lots & lots of potty-mouth language, adults adulting in fun & naughty ways, and references to knotting, M/PREG, and a strong dose of insta-love. Every book in this series is a stand-alone novella of at least 30,000 words or more, and contains an HEA with absolutely no cliffhangers! While you can read these books on their own, it’s best to read them in order for maximum enjoyment.

## Customer Reviews

I like how patient Seth was and his compromise. But this story could use one more edit. Most of them were just a missing word, but several times Kai's and Sy's names were mixed up (once Jake refers to his mate as Sy and in three consecutive paragraphs have Seth climbing into bed with Kai before his mate starts being called Sy again)

I like this story. So much of it was so enjoyable, but again 4 stars instead of 5 because it too needs a proofreader. The most glaring the names. Daniel?, Maxx?, Owen??? Damn I love Seth and Sy's story wish I could have given it five stars. Please someone, JUST EDIT THE NEXT ONE.

I enjoyed the story really like Sy and Seth the author is getting better but grammatical mistakes do take away from the overall story. Good series can be great with a little edit.

Enjoyed reading this book. Reading about two people who have to work through more trauma and past experiences than you ever knew keeps you interested until you are done.

Good story, so sweet and patient alpha. Funny, nice, not so much dark, light and humor, really good, can't wait for more

Good series
