Customer Reviews

Fantastic follow-up graphic novel to the original book. Vaughan and Chiang again craft a great sci-fi story ripped right out of our childhoods, planted it in modern times, and allows it to grow in the future. Really looking forward to where these girls are going to end up next!

A great fun comic - quick read - fresh and fun.

Great story and awesome graphics!

I'm confused as all hell, but I love it. Brian K Vaughn is a great writer who never disappoints. Yup.

great!

Product arrived quick and whatever you do, DO NOT miss out on Paper Girls! One of the better stories out there.

I continue to love this sharp, witty, and emotional story. It's really fun and the writing keeps me guessing. Now that the characters and stories are introduced, I would say this is even stronger than Volume 1 (which was still really good). One of my favorite finds of the year.

Love the series eagerly awaiting further installments. I highly recommend it to any comic fans!
