# The Children's Homer

## Synopsis

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. --This text refers to the Paperback edition.

## Book Information

Audible Audio Edition

Listening Length: 4 hours and 46 minutes

Version: Unabridged

Publisher: Blackstone Audio, Inc.

Audible.com Release Date: May 19, 2004

Language: English

ASIN: B0002AYYSM

Best Sellers Rank: #104 in Books > Audible Audiobooks > Children's Books > Classics #689 in Books > Audible Audiobooks > Children's Books > Fiction

## Customer Reviews

Fun way to refresh on Homer. Read it and then got a copy for my 11 year old daughter who's excited to give it a read - we've already had a talk about who is who and why the names are tough to say.

Beautiful art deco illustrations by Willy Pogany. And the moral of this classic of western civilization is this: Command thyself! A true hero and leader of men is not one who can control others but the man who can control his own heart and mind. And peace surpassing all understanding will follow.

This is a beautiful piece of literature. The author has captured the Greek classics in a way that maximizes the lyric beauty of the original in prose that crosses the eye as your favorite beverage caresses the throat.

I was surprised by how hard of a read this book was. My son and I both found it very boring.

My sons both read this book and said it was really good. A classic.

Beautiful language. I've been reading it to my kindergartener and he loves it! The complexity of the language doesn't interfere with his comprehension - he can talk about what happens in each chapter and I hear him incorporate words and images into his play.

I'm reviewing a 2012 edition published by CreateSpace. This book has been poorly published. The cover states that the title is The Children's Homer but the content of the book is actually a different book entirely: The Golden Fleece and the Heroes Who Lived Before Achilles. I haven't read the entire book yet, but I have already seen some typos (Homer spelled Homerr, which is ironic since the Golden Fleece isn't attributed to Homer at all). I will be sure to avoid anything published by CreateSpace from this time forward.

this was the perfect book for my daughter. her required reading for school. she thought it was very good that she could do her required reading from the back seat of the car and in the hotel without having to go to the library or a book store first. WOW gotta love technology
