Edinburgh Sights 2011: A Travel Guide To The Top 30 Attractions In Edinburgh, Scotland (Mobi Sights)

Synopsis

This illustrated Travel Guide is a part of the Mobi Sights series, our concise guides that only feature the most essential information on city attractions. This guide is designed for optimal navigation on eReaders, smartphones, and other mobile electronic devices. Inside you will find a locator map and a list of top attractions linked to individual articles. Addresses, telephones, hours of operation and admissions information are included. The guide also features an itinerary with our suggestions for your travel route. Please search for "Travel Scotland", part of the Mobi Travel series, if you are interested in the complete travel guide that includes more maps and attractions with additional articles on history, cultural venues, transportation, districts, dining, accommodations, units conversion, and a phrasebook. NEW FEATURE: The attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to. With this travel guide you can turn some eReaders into an audio guides. For example, on the Kindle, just open an article and click Shift+SYM to activate text-to-speech. Put the speaker on the back of the Kindle against your ear and enjoy your virtual travel companion. Press Spacebar to pause/resume text-to-speech. All travel guides in the Mobi Sights series are only \$0.99. Search for any title: enter mobi (short for MobileReference) and a keyword; for example: mobi Paris.

Customer Reviews

Very well designed for electronic readers and full of information. Add GPS to your system and you can't go wrong. Does not eliminate the need for more detailed information, but great for "carry-along" information.

Edinburgh is one of the most touristic cities I have ever seen. If you are lucky with the weather you will enjoy the city greatly. City attractions are well covered in this guide. The itinerary was very helpful and I followed it to the letter. If you short of money skip the castle. It cost 15 pounds to enter but you don't get to see much inside the castle. The view though is stunning. I was impressed by a textile exhibition located in the first building on your right just as you exit the castle. The exhibition was absolutely free.
