Customer Reviews

Love this Author! I was very excited for this book to come out. It is an awesome cookbook and the short stories are wonderful and witty as always. Keep in mind these recipes are traditional and true to Ireland so they may be on the challenging side but well worth it if you love to cook. Only downside is how books seem to be shipped. No real protection just thrown in a box. Mine came with the jacket damaged. More care should be taken with customers orders and money.

I Love it. Have tried many of the recipes and have shared them with family and friends. Excellent purchase

Awesome, Patrick Taylor is the best.

If you're a fan of the books, you're sure to enjoy this delightful book. The recipes are good & the accompanying stories quite nice.

The short stories are nice and the recipes are awesome

Lovely book great recipes. I highly recommend!!

Delightful read, in the style of his novels, with lots of deliciousness in between. It is now our go-to St. Patrick's Day resources, but by no means do we limit the culinary adventures to March 17th!

Good story and hopefully good eating
