Never A GAMBLE

Always a **Sure BET!**

Synopsis

Life is Never a GAMBLE I am fortunate that my life has been pretty amazing. The people, the places, the challenges and projects that I embarked on have produced a result the many may call a fairytale. Others will say that I've been lucky. I can surely say that life is never a gamble, it's been a sure thing. There are six principles that have guided me to assure that I didn't gamble but instead I operated on the principles outlined for success. This book is an expression of those six principles that I will share with you to assure your life is not a gamble but instead, you're betting on the right thing. The principles I want to share with you spell out how I have been successful and how you too can achieve the same level of success. Although life is a game of chance, I hope my book will teach you how to defy the odds.

Customer Reviews

Book review Never A Gamble , Always A Sure BET! America's HBCU's is a roadmap to succeeding in Life. It's educational on the history of the HBCU's and it displays the author's passion in keeping them Alive. I highly recommend this tool for all students from elementary to undergrad to read for

the decisions in life. I didn't attend a HBCU school, but the values and standards are amazing. Everybody young and old can use this book for guidance in Life.
