Batik (The Art Of Crafts)

Synopsis

Batik is an ancient craft involving painting and dyeing fabrics that have been masked with a wax resist to produce both subtle and bright color combinations. Sarah Tucker has brought the craft up to date, explaining in easy steps how to achieve attractive results. Beautifully illustrated with full-color photographs, the text focuses on techniques which can be applied to the variety of projects described. Batik provides practical help to beginners, and inspiration to those who have already tried this enjoyable craft.

Customer Reviews

This book is exactly what I wanted: a strong, clear, detailed guide to the techniques involved in creating works in batik - pictures, scarves, cushion covers. It's full of illustrations which made it easy to follow but it also encouraged me to be more ambitious, trying out techniques which were quite new to me. Good for a beginner, therefore, but also good for those who already know about batik but want to get to grips with new ideas!
