Best Sellers Rank: #884,646 in Books (See Top 100 in Books) #109 in Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Dye #91173 in Books > Arts & Photography

## Customer Reviews

While the book is very excellent, and there are a few "new" things I learned, you can actually get the same information online, but at different sources. If you would like the teaching all in one book, this is for you. It is an excellent resource.

I was not expecting a whole lot from this book (just some keys to getting started), but after I received the book, I did find a very good and relatively comprehensive instruction into this art form. Well done!

Easy to understand book on silk painting techniques. Gave this book to a young beginner painter because I felt that she would understand it.

I recently ordered this book on silk painting and it is very nice. It has good photos of hand painted silk items. It is a very good introduction to silk painting.
