Hearing Sappho In New Orleans: The Call Of Poetry From Congo Square To The Ninth Ward (Southern Literary Studies)

Synopsis

A bibliography of narratives, memoirs and other works on the Civil War. In eight chapters, Freeman reviews soldiers' accounts, vindications penned after the war, women's commentaries, biographies of and tributes to Robert E. Lee, thoughts from foreign observers, and diaries, letters and speeches.

Customer Reviews

Douglas Southall Freeman was the author or editor of nine books, including the Pulitzer Prize-winning R.E. Lee: A Biography.

I don't trust most books written about the South and/ or the Confederate States which were published post-1920 to portray that region's history or heroes as they truly were. Southall (who 'came of age' in the early 20th Century) provides an invaluable trove of first-hand accounts and apologetics written by those who were there or who have no anti-South axe to grind. Many, if not most, of the works he lists are no longer in print or are difficult to find--making them all the more valuable.

All that has been said before. Thank you Fr. Freeman.
