Customer Reviews

Book as advertised although a lot of pencil comments inside.

I ordered the wrong book. I was suppose to order the Two Over One Game Force book not the quiz book. My mistake. I must ordrer the right book then I can take the quiz

This book is the companion book to Two-Over-One Game Force by Max Hardy. Each quiz refers to a topic in the Two-Over-One Game Force book. You need both books. Two-Over-One Game Force is a tough read. This book clears up many of the topics. Do not buy this book alone.Hardy before his death wrote Bridge in the 21st Century which is a much clearer version of the two-over-one system. If I was buying only one book, I'd buy that one.
