Another great book. It is your classic tortoise and the hare story. I love these books because my daughter who is 8 read them easily. She is absolutely obsessed with Pete the Cat. The illustrations are great as well. The pictures are bright and vivid. Love this book.

Perfect for my 4-year old who has just started reading. The repetitive characters are great and she really likes them. The books are relatively short and the pages are one or two lines. Perfect for new readers with easy words and relatively few difficult words.

The rhyming Pete the Cat books are the best. The others... not as good. Riding on reputation of originals.

We love Pete the cat books, and this one has grown ups giggling too. Very cute story.

Great book for beginners. My son loves the Pete the Cat series and I can see why. great illustrations along with funny stories really makes the series a blast to follow. books are durable but not plastic coated paper so be careful with them. Artwork is fantastic and really gets kids into the story.

Gift for grandsons birthday, at his request. He loves Pete the Cat books.

Not as great as I thought it would be. My 3 year old usually loves Pete The Cat books but didn't like this one that much.

Always entertaining! My granddaughter loves the stories and the comfort of Pete the cat.
