Customer Reviews

Great travel guide. Gives history without being dry and boring. Love the practical info sections- they give advice a friend who lives there would. Like that it doesn't just list boring, touristy things. Would love to visit the fishing village Marsaxlokk. It sounds so charming with the brightly colored fishing boats and the market. Also would like to visit Ta'Quali craft village and watch the craftsmen at work. Recommend this guide if you are planning to go to Malta- or if you like learning about other places like I do.

Great guide to Malta. I didn't know much about this country but seeing as I will travel there soon,

picked this up. Tells you nice details about where to go what to see and its history.
