From the cover it appears as if the map is in english. It isn't, just fyi, and reading or trying to speak Hungarian for most users might be nearly impossible. We like Marco Polo maps and have used

them in many countries but the cover deceiving and I didn't check on the map before purchasing - which is on me. Therefore, I won't ask for refund and be more careful purchasing a map next time I don't know the language.

2 towns.....Buda & Pest. Both were beautiful & the map worked great! tg

I was very unhappy to discover that the map is covered with a plastic coating both front and back and is too awkward to open and fold back. It is not at all like the maps you find in the back pocket of the Marco Polo travel books. It would be impossible to use this while walking in town, while in a plane, bus, or automobile. I do not fault you as I chose it. I will continue to be your customer. Thank You! RON RAYMOND

Excellent map, and very durable. Very helpful for a foreign person in a foreign land. Highly recommended and would buy again.
